1.	at the 7.3 kilometer stone and er Dessau-Oranienbaum road. Kapen 1	located approximately eight kilometers ESE of cenbaum railway line. The dump actually begins ads at the 8.3 kilometer stone from Dessau on the Station is situated opposite the main entrance and branch railway line to the dump is shown on the
2.	The dump itself is surrounded by barbed wire, which is in turn encircled by a strip of wood. Trees and bushes still stand within the dump among the bunkers as a camouflage measure, but outside the strip of wood is a 100-meter broad strip of land which has been completely denuded of trees, etc., and in this barren strip a Soviet Punishment Company 200 men strong do guard duty. These troops are quartered in tents and earth bunkers in the wood surrounding the dump.	
3.	Weapon pits and trenches were thrown up in the barren strip in early June 1948. Encircling defences are being constructed for the dump. Security measures are such that the 200 Russians do guard duty at the entrances to the dump, at the posts (wachen) shown on the sketch, in the surrounding wood, and on the barren strip, while 270 German police form an extra guard by ringing the Russian troops.	
4.	dump contains mainly 76.2 mm anti- calibers between 105 mm and 210 m	fifteen wagons of artillery and anti- the dump between 3 and 12 June 1948. The the dump between 3 and 12 June 1948. The tank shells and artillery ammunition of various to packed in Körben. The dump disposes in all of the packed in Körben are camouflaged with soil and brushwood.
